The Charles Hotel Munich

Perfectly situated in the centre of Munich, The Charles Hotel, the latest five-star hotel from The Rocco Forte Collection, opened in October 2007 and promises to be one of the finest hotels in this historic and cosmopolitan Bavarian city. The design was overseen by Olga Polizzi, The Rocco Forte Collection's Director of Design. The hotel has its own personality and reflects its location with the use of original paintings by Munich's celebrated 19th century artist Franz von Lenbach in the public areas as well as the Monforte Suite. This luxury Munich hotel is custom built and has all the hallmarks of a Rocco Forte Hotel: individual design, elegant comfort, excellent levels of service, up-to-date corporate facilities and a top quality health club.

The Charles Hotel's location in the heart of Munich, close to the historic square of Königsplatz, the old town and the superb shopping area, suits both business and leisure guests staying in Munich, yet its situation in the Botanischer Garten (Old Botanical Gardens) means peace and tranquillity away from the city's bustle.
